Education system and working in Switzerland

Info Day for migrants

Englisch | English

**You are starting a new life in Switzerland.
You would like to work here or get an education.
However, you need to improve your German.
You have a lot of questions.**

- What does «education system» mean?
- What is a basic vocational qualification (apprenticeship)?
- Can adults undertake a vocational qualification?
- Are foreign degrees/diplomas recognised?
- Where can I find and apply for work?
- When is it good to talk to a careers' advisor?

Attend the Info Day.

You will receive answers in your own language at the event.
