

Coronavirus: Information on vaccination in the Canton of Zurich

As of 1 September 2021

Vaccination is voluntary and free.

Can I be vaccinated?

Yes, if

- 12 years of age or older
- you don't have a fever or any other COVID 19 symptoms
- you don't have an allergy against one of the components of the vaccine (PEG)
- you are not in isolation or quarantine

Pregnant women, allergy sufferers with a severe reaction in the past and people with severe immune suppression must consult their doctor before being vaccinated.

If you are pregnant or have an allergy to any component of the vaccine, you will need a doctor's certificate to be vaccinated at a vaccination center.

What do I have to observe if I am between 12 and 15 years old?

Adolescents must be accompanied to the vaccination appointment by a person with parental authority or bring an undersigned declaration of consent form issued by the Department of Health. This form can be downloaded from the website:

zh.ch/coronaimpfung.

How do I proceed?

All persons aged 12 and over can register and sign up for vaccination at **zh.ch/coronaimpfung.**

For assistance: 0848 33 66 11

(costs within Switzerland max. 0.08 Francs/minute)

What information do I need?

Personal data, name and number of your health insurance.
