Neu

Abbruch

The architectural site plan illustrates the proposed location and dimensions for the Business Aviation waste station. The main building footprint is a large rectangle with a hatched pattern, measuring 168.52m in width and 153.61m in depth. A smaller, rectangular structure is also indicated with a hatched pattern, measuring 29.99m in width and 16.00m in depth. The plan includes a north arrow pointing towards the top left and a scale bar indicating 0m, 10m, and 20m. The legend identifies three types of areas: 'Bestehend' (Existing) in grey, 'Neu' (New) in red, and 'Abbruch' (To be demolished) in yellow. The site is situated adjacent to the airport terminal and parking areas, with various roads and infrastructure lines shown.
